DANTECH ELITE COMPOSITES

## UNIGRIP - DANTECH ELITE COMPOSITES

The latest breakthrough in high-performance epoxies, delivering superior protection, greater efficiency, and unmatched value.

### More value for money

High-performance, lower investment: Marine and Industrial users get high-end epoxy performance at a mid-market price.

### Fast & easy to use

User friendly application, minimal training and rapid cure times translate into less downtime and reducing operational errors.

### Filler & solvent free

Filler and solvent free formula with 100% active ingredients. Ensuring unmatched strength, adhesion, and long-lasting chemical resistance.

### All-in-one versatility

One product, hundreds of repairs. From bonding and sealing to coating and rebuilding.

## UNIGRIP CUSTOMIZED YACHT KITS ARE DESIGNED SPECIFICALLY FOR SMALLE-SCALE INLINE REPAIRS.

### Small size Cruise Repair Kit

Part #	Qty	Unit	
101-S	3	Super Guard Epoxy Coating, White 9oz (265ml)	
102-S	3	Super Guard Epoxy Coating, blue 9oz (265ml)	
201	1	Super Metal Filler Compound 2.2 lbs (1kg)	
501	2	Exhaust Repair Compound 10.48oz (310ml)	
410	2	Super Wrap (reinforcement tape) 2" x 33ft (5cm x 10m)	
401-S	2	Pipe Repair Kit - Pipe dia 1/2" to 2 1/2" (DN20 to DN65) 725 PSI (50 bar)	

## UNIGRIP CUSTOMIZED YACHT KITS ARE DESIGNED SPECIFICALLY FOR SMALLE-SCALE INLINE REPAIRS.

### Medium size Cruise Repair Kit

Part #	Qty	Unit	
101-S	6	Super Guard Epoxy Coating, White 9oz (265ml)	
102-S	6	Super Guard Epoxy Coating, blue 9oz (265ml)	
201	2	Super Metal Filler Compound 2.2 lbs (1kg)	
501	2	Exhaust Repair Compound 10.48oz (310ml)	
410	3	Super Wrap (reinforcement tape) 2" x 33ft (5cm x 10m)	
401-S	2	Pipe Repair Kit - Pipe dia 1/2" to 2 1/2"" (DN20 to DN65) 725 PSI (50 bar)	
401-M	2	Pipe Repair Kit - Pipe dia up to 5" (DN125) 725 PSI (50 bar)
